TECHNOLOGY CENTER 2800

The proposed amendment will not be entered because it raises new issues that would require further search of the application due to the added limitations of "each of the at least two current sources provide substantially a same current" and "each of the at least two current sources provide a substantially different current." The examiner notes that the type of rejection the applicant is intending to overcome by adding new limitations to the claims does not impact the need for further consideration and/or search of the added limitations.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brett S. Squires whose telephone number is (571)272- 2268. The examiner can normally be reached on 9am-5:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian Sircus can be reached on (571)272-2800 x 36. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
